— CLIMATE CONTROL
WITH VIEGA® RADIANT SYSTEMS

viega

CLIMATE MAT

CARBON STEEL PRESS FITTINGS

Arrives on the job in a pre-engineered assembly that simply needs to be unrolled and fastened, saving time and labor costs by eliminating guesswork. Pre-pressurized and numbered for accurate placement, this system allows for 20,000 square feet of tubing to be installed in an average workday.

LIGHTWEIGHT TRACKS + PLATES

304 STAINLESS STEEL PRESS FITTINGS

Ideal for retrofitting projects.

RAPID GRID

CARBON STEEL PRESS FITTINGS

An all-in-one insulated vapor barrier and grid system compatible with Viega Barrier PEX and Viega FostaPEX tubing. Viega Rapid Grid serves as a fastener, insulation and vapor barrier and can reduce installation time.

ZONE VALVES

316 STAINLESS STEEL PRESS FITTINGS

Used to control the flow of fluid within a hydronic heating or cooling system. Available in two sizes and three different connection configurations.

CLIMATE PANELS

CARBON STEEL PRESS FITTINGS

Easy to install and can be customized to suit any floor plan. Available assembled or unassembled for new or remodeled homes and businesses.

HYDRONIC MIXING BLOCK

304 STAINLESS STEEL PRESS FITTINGS

Combines mixing, control, air elimination and a pump in a single unit. It's a first-of-its-kind, highly engineered, user-friendly, economical solution for controlling the radiant heating system.

In-Person Training

The Viega Training team provides a hands-on experience in well-equipped labs and seminar spaces for customers in Broomfield, CO and Nashua, NH.

Viega Works Session

Can't make it to one of our Seminar Centers? No problem. Our trainers bring real-world experience and industry knowledge to your location via video call in a working session tailored to your needs.

Technical Support

Our Technical support team has you covered if you need quick answers to on-the-job questions. Each technician provides detailed troubleshooting and solutions to application questions.

On-Demand Accredited Courses

Contractors can get on-demand access to modules for continuing education, credentialing of Viega products and industry applications through the Viega eLearning portal.

Engineering Services

Our dedicated Engineering Services team maintains all Viega BIM content to support your project needs. The team works with various industry partners to ensure 3rd party content is current and accurate.

VIEGA® PRESS TECHNOLOGY

No other manufacturer can offer the same press technology across multiple piping systems.

This document is subject to updates. For the most current Viega literature please visit www.viega.us The term Viega does not apply to a specific company within the various separate and distinct companies comprising the Viega group of companies. The term Viega as used in this publication refers to the Viega brand itself or generally to the Viega group of companies. References to activities in North America specifically refer to activities of Viega LLC. Viega products are designed to be installed by licensed and trained plumbing and mechanical professionals who are familiar with Viega products and their installation. Installation by non-professionals may void Viega LLC's warranty. ©2023, Viega®, MegaPress®, ProPress®, Smart Connect®, XL®, and Viega: Connected in quality® are trademarks of Viega Holding GmbH & Co.
